VISION OF AISBOF

**A PIONEERING, APOLITICAL AND
RESPONSIVE OFFICERS' UNION
MOVEMENT WITH ENLIGHTENED VALUES,
COMMITTED CADRE, INSPIRINGLY LED,
EVER AT THE FOCUSED SERVICES
OF THE MEMBERS,
THE BANK AND THE COMMUNITY
AT LARGE.**

**ALL INDIA
STATE BANK OFFICERS' FEDERATION
(A.I.S.B.O.F.)**

The All India State Bank Officers' Federation represents over 1,06,000 Officers of State Bank of India. Membership of the Federation extends to Officers belonging to Junior, Middle Management as also Senior Grades performing functions such as Assistant Managers, Deputy Managers, Managers, Chief Managers, Assistant General Managers and Deputy General Managers of over 27,000 Branches/Offices of the State Bank of India, throughout the Country.

The Federation was founded in the year 1965. It has 16 affiliates consisting of 16 Circle Associations. Its Central Office is presently located at Bangalore. It has unit office at Local Head Offices of SBI corporate office at Mumbai.

The Federation is an apolitical and independent trade union. It is led by serving Bank Officers only. It is affiliated to All India Bank Officers' Confederation, which is also an apolitical & independent Trade Union.

The Federation is recognised by the SBI Management. The Federation is a partner in "**Bipartite and Tripartite**" forums established in the Bank for negotiations, consultations, customer service, community service banking, welfare schemes etc. It firmly believes in finding solutions to all problems through bilateral negotiations with the Management. **Com. Soumya Datta** is the President and **Com. Ramkumar Sabapathy** is the General Secretary of the Federation.

The Federation is committed to the objectives for which the banks were Nationalised. It actively participates in and supports all schemes and measures initiated by the Government for ameliorating the poorer sections of the society and priority sectors of the economy.

The All India State Bank Officers' Federation has a unique distinction of having gone on **17 days Indefinite Strike from 10th June, 1969 to 26th June 1969, first Managerial Cadre strike in the world**. It was a path breaking strike which paved the way for improvement of Service Conditions of Officers and growth of the Officers' Trade Union Movement in India. For the second time, The All India State Bank Officers' Federation and the All India State Bank of India Staff Federation jointly went on an **Historic Indefinite Strike from 3rd to 9th April 2006**, demanding upgradation of pension scheme in State Bank of India. The

Strike was total throughout the country. It created very strong pressure on the Government of India. Finally, they had to sit with both the Federations to sort out the issue to our satisfaction. The Indefinite Strike enthused millions of workers in organized and unorganized sectors. It proved once again that the united action of the Labour, will never fail.

The Federation has also brought out a documentary on Indefinite Strike titled "**Union is Strength**".

The Central Office of the Federation is provided with all infrastructure which is necessary for maintaining efficient communication system between the Affiliates, Membership and the Management in a most systematic manner. Apart from issuing circulars and other communications to grass-root level membership through **Email** and providing them with day to day information through **Website** on the activities of the organisation, the Federation has been publishing a monthly magazine known as "**Officers' Cause**". The journal is being released on the 15th of every month regularly. The journal started its publication in the year 1981 and is a source of information to the grass-root level members throughout the country. Copies of the journal reach all the 27,000 and odd branches of SBI keeping the members informed of the activities of the Federation. Apart from "**Officers' Cause**", the Federation has also been instrumental in bringing out "**Common Bond**" another monthly journal, the ownership of which has since been transferred to AIBOC. "**Common Bond**", was commenced during 1981. Thus both these journals have completed over 3 decades of service to the officers' fraternity.

In order to equip our Office-Bearers and activists with skills in defending their colleagues facing disciplinary proceedings, the Federation has launched a quarterly journal "**Domestic Enquiry**", during the year 1997. The publication has been well received. Likewise, during the year 2004, the Federation has commenced yet another publication titled '**Labour Research**'. This bi-monthly publication has become quite popular not only in the Financial Sector, but also among the entire Trade Union fraternity.

With a view to provide further fillip to the movement, the Federation has set up an Academy in the name of '**National Academy of Trade Union Research and Education (N.A.T.U.R.E.)**'. in the year 1991. Periodical Training Programmes are

conducted by the Academy to groom activists of our affiliates as potential leaders.

The faculty of NATURE also visits various parts of the country to impart training, wherever activists are not in a position to attend the programmes at Bangalore. It has conducted **139th programmes** up to date. It has also been decided to conduct the **140th** Programme in the New Year 2019 from January 11th to 13th at Bangalore.

Trade Unions in the organized sector cannot ignore the teeming millions of people who are living below the poverty line, the unorganized labour force, the down-trodden, child labour, bonded labour and millions of illiterate agricultural and other workers. We have to respond to the society's problems. The organizations who are well off should spare a portion of their resources towards social service. The Federation has set up a "**Social Welfare Fund**" to take up several social projects and encourage affiliates to make use of the Fund for the purpose. The Federation brings out a quarterly magazine viz. "**Social Concern**" covering all the social activities undertaken by the Federation and its affiliates. The publication started in the year 2000.

The Federation has also taken up the task of several other publications. The important ones are "**An Aide to Defence Representatives**" and "**Comprehensive compendium on Superannuation Benefits**" in SBI, Medical Benefit Scheme to Retired Employees, Information Technology Act, a comprehensive compendium of current wage settlements in Banks/RBI, Insurance etc., etc. The magnum-opus was a "**CD on Model Enquiry**" brought out during the year, 2004, which has become quite popular.

The term 2012-2015 has been a very turbulent one. The Management issued charge-sheet to 27 Principle Office-bearers, Presidents and General Secretaries of our Circle Associations for holding Lunch time Demonstrations on 28th Aug.2012 opposing the intention of the management to introduce seven day's banking without consulting the federation. The Circle Associations moved respective High Courts. The verdicts of the High Courts were varying. However the Bench of Chennai High Court quashed the charge sheets which has been challenged by the bank through an SLP in Supreme Court of India. Several of our leaders were penalized by reduction by a scale, some were placed under 19(3) under SBIOSR at the time their retirements. Due to continuous efforts of the federation the matter has been sorted out in a mutually acceptable way. During this period there was an unsavory efforts to withdraw check off facility also. Even that has been sorted out. Eternal vigilance is the cost that we have to pay to keep our freedom intact. The turbulence created by a few disgruntled elements has died down and the Federation has emerged much stronger than before.

The aim of the Federation is to achieve through constructive co-operation with the Management and the Government, maximum efficiency in banking operations, balanced spread of banking to different regions, high quality customer service, development of human resources, modernisation of systems and procedures, prevention of wasteful expenditure and frauds and to generate stable and harmonious industrial relations.

PONDICHERRY DECLARATION:

The All India State Bank Officers' Federation has completed 53 years of service to the officers' community. The Federation was set up in the year 1965 with a couple of Circles and less than a few thousand officers. Over the last 53 years, the Bank has grown rapidly with about 1.06000 officers serving in over 27,000 branches of State Bank of India. The challenges before trade unions are multifarious. With a view to consider the challenges before us and to rediscover the future perspectives of the Organisations, a seminar of the Presidents and General Secretaries of all affiliates was held on 5th and 6th of October 1997 at Pondicherry. After 2 days of deliberations, the leaders of the Federation came to certain conclusions in regard to the future perspectives of the Organisation. The seminar also adopted a declaration on the Vision and Mission of AISBOF.

SECOND, THIRD AND FOURTH MEETINGS

In the Second Meeting of the Presidents and General Secretaries of affiliates held at "Udhgamandalam" in June 1999, several policy decisions have been taken including restructuring of the Federation. The Third Meeting was held at "Pune " on the 7th & 8th November,2000 to review the functioning. The Fourth Meeting was held at Nagpur on 5th & 6th Feb.2009 to take the organization to the grass root level through conduct of Cadre Development Programmes all over the country.

HISTORIC NAGPUR CONCLAVE OF THE PRESIDENTS AND GENERAL SECRETARIES

The Nagpur Conclave of the Presidents and General Secretaries of the Circle Associations and the Federation was held on 5th and 6th February 2009. The conclave was a trend setter in drawing up a blue print for the future of the Federation. The meeting provided for an in-depth debate on several issues concerning the Bank, Circle Association, the Federation, the Trade Union movement and the society at

large. The two days Conclave held through group discussions, presentations etc., concluded with certain specific objectives and future tasks for the Federation. One of the major decisions of the conclave is to take the organisation to the grass root level through conduct of Cadre Development Programmes all over the country.

BRAINSTORMING WORKSHOP AT CHENNAI

The 5th meeting was held at Chennai on 20th 21st Oct.2016. The demographic composition of our members has changed due to the arrival young officers including large number of lady officers. The need to inculcate the trade union spirit in their minds and train them for taking over the future leadership needs immediate attention.Hence, the assembly of Presidents and General Secretaries of AISBOF, after a two day Brainstorming Workshop resolved as follows;

- To provide ample opportunities' for the younger generation women officers in the leadership of our organization.
- To provide various avenues for training the members in trade union as future leaders in the areas of leadership development, disciplinary proceedings, wage negotiations, art of negotiation etc.
- To ensure that they contribute sincerely for the development of the Bank, follow the laid down systems and procedures thereby protect the interests of the Bank.
- To strengthen the circle associations, wherever necessary, by providing leadership support.
- To join hands with our fraternal organisation, the staff union in our struggle to resolve the issues.
- To initiate dialogue with the management to address the issues in the implementation of CDS and the related issues hurting the employees
- To segregate cross selling and commission thereby putting an end to unfair practices
- To have a relook into the branch categorization to restore the positions of branches wherever necessary to safeguard the interest of the bank
- To engage the management to address the burning problem of staff shortage

- To chalk out a path to sort out all the pending issues
- Thereby to strengthen the circle Associations and the Federation in the days to come.

Another Brain storming session of Presidents and General Secretaries was held at Bangalore to discuss and find ways and means to solve the most important issue; **"Effects of Punishments"**. According the AISBOF submitted its suggestions on the issue to the management and they were accepted after vigours follow up and persuasion. Now the entire **"Effects of Punishment "** are codified which should now be guidelines for the operating desk/levels.

NATIONAL ACADEMY OF TRADE UNION RESEARCH AND EDUCATION (N.A.T.U.R.E.)

The trade union movement in India has a history of over a century. The seeds of unionism were sown along with freedom struggle. The Britishers who brought the Industrial Revolution with them also brought in its ill-effects such as exploitation of the labour class, discrimination between men and women, hostile working conditions, perpetuation of child labour etc., which gave rise to emergence of unions. The workforce employed in Postal and Railway Departments as also in textiles, Jute and other industries organised trade unions and contributed their mite to the freedom struggle.

The trade union movement in the Banking Industry began in the early 40's with the active support of Central Trade Unions. The Officers' Organisations sprang up in the early 60's in State Bank and other Banks. During the last 58 years, the officers in the banking industry have consolidated their position and built up a strong industry level organisation under the banner of AIBOC.

The National Academy of Trade Union Research and Education is a wing of All India State Bank Officers' Federation. The Federation appointed a sub-committee for a review of its functioning and to make appropriate recommendations for widening our Trade Union Activities. One of the recommendations was to set up an academy exclusively devoted for development of the trade union activities. The launching of NATURE in the year 1991 was in response to the recommendations of the Sub-committee.

As a strong and militant organisation, the Federation has played a predominant role in organising AIBOC. The Executive Committee of the Federation, in one of its meetings observed that in the field of trade union education and research, not much efforts have been made either by the central trade unions or independent Federations. Need was therefore felt for the unions in the organised sector like banking to come forward to take up the work of education and research in the sphere of trade union movement. The National Academy of Trade Union Research and Education is wholly dedicated to fulfilling this task.

THE OBJECTIVES OF N.A.T.U.R.E.

- a) ***To undertake the study and research of the history of the trade union movement;***
- b) ***To keep abreast with day-to-day developments in the trade union field on an ongoing basis;***
- c) ***To impart training and education in the management of trade unions;***
- d) ***To develop leadership qualities, negotiating skills and to have up-to-date knowledge of legislations affecting the working class;***
- e) ***To train defence-counsels;***
- f) ***To inculcate a spirit of camaraderie amongst the various sections of working class to motivate employees and officers to take up the task of forming and managing trade unions etc.***

The recent economic and industrial policies of the Government at the instance of the IMF and World Bank have once again brought into focus the watchdog role the Unions have to play to protect the interests of the working class. NATURE pledges to be in the forefront in fulfilling the aspirations of the members for all times to come.

The faculty has been developed from within. At the request of the affiliates of AISBOF/AIBOC, training programmes, on "***Disciplinary & Vigilance Proceedings***", '***Leadership Development***', '***Fitment***' '***Superannuation Benefits***', '***Cadre Development***', '***Pre-promotion Training***', '***Yoga for better Health & Relaxation Technique***' etc are arranged at Bangalore and other parts of the country.

RESEARCH WING

One of the objectives of **N.A.T.U.R.E.** is to take up further research and study on the issues related to trade union movement as also issues related to working class of our country. Majority of the working class are in the unorganized sector. They do not get the benefit of organized trade unionism. Their working conditions, conditions of employment, wage policy etc., are at the mercy of the Government. The absence of assured social security measures as well as recent trends in the name of globalisation have pushed them to a more disadvantageous position. It is necessary that all the Trade Unions in the organized sector contribute their mite for the welfare of their counterparts for the unorganized sector.

A VIDEO FILM ON "MODEL ENQUIRY"

A classic documentary on '*Model Enquiry*' was produced with a highly professional and skilled team from AISBOF. It was a long felt desire of the comrades throughout the country who attended the workshops on disciplinary and vigilance proceedings to have a film on Model Enquiry. On 18th Aug. 2004. the Federation released a DVD on '*Model Enquiry*' at Gandhi Nilaya, Bangalore.

SILVER JUBILEE CELEBRATIONS OF NATURE

We are happy to inform all our members all over the country that the National Academy of Trade Union Research and Education a wing of All India State Bank Officers' Federation attained an important mile stone of completing 25 years of its meaningful service to the trade union fraternity in the country during the year 2016. This year was celebrated as *Silver Jubilee Year of NATURE* by the Federation in order to commemorate the historic contribution that the NATURE as an institution under the Federation has done to the trade unions in the banking industry as well as other sectors of the economy imparting knowledge about the leadership development, the Disciplinary Procedure training program along with several other types of programs developed for the consolidation of the working class in the country.

The NATURE commenced its journey on 2nd October 1991 on a very modest scale by holding the Disciplinary Workshop for 3 days for the benefit of our activists and leaders and thereafter it saw the activities spanning over across the country over a period of 27 years by creating a sort of record in training a large number of

activists to take up the responsibility of organizing the trade unions in their respective field and consolidation of the working class as a great service to the working class in the country. It has till date completed **131** Training Programmes.

The “Gandhi Nilaya” the administrative Office for NATURE has become a household name amongst the trade union leaders all over the country. It has also developed an excellent faculty over the last 2 decades consisting of the stalwarts of our movement who have dedicated themselves for the cause of serving the trade union movement and have been updating the materials and the knowledge that is required for equipping our members in the matter of administration of the trade union as well as managing the defense work in respect of the charge sheet served on our members.

2nd WING OF NATURE

The “NATURE” opened its 2nd wing at Patiala (Chandigarh Circle) on 30th July, 2017 among much *fanfare*, to cater to the needs of the neighboring districts/states covering all other Banks in the area. The members are requested to take maximum advantage of the same.

PUBLICATIONS OF AISBOF DISCIPLINARY AND VIGILANCE PROCEEDINGS AND MODEL ENQUIRY.

NATURE has brought out to 2 major publications on the occasion viz. “*Compendium on Disciplinary and Vigilance Proceedings*” containing all the important course contents/materials as also a book on ‘Model Enquiry’ giving the entire script of the film for the benefit of the participants and those who are interested in acquiring higher skills in the art of defence.

UNION IS STRENGTH

It is a hand book for the Trainers’ who will be handling Cadre Developments Programmes in their respective Circles. The book contains a brief on the History of AISBOF, Efforts of the Federation in evaluation of our service conditions, tips for the trainers, inputs for cadre development, organizational structure, role and responsibility at various structures, communication, public speaking, tools for leadership etc., The book has become very popular amongst our comrades and within 4 months of its publications six thousand copies have been printed. For the

Benefit of our members from Hindi speaking states, the publication has been translated into Hindi version and the book was released on 19/11/2009, at Chennai by his Excellency **Shri. Surjit Singh Barnala, the Governor of Tamil Nadu.**

GLIMPSES OF THE HISTORIC INDEFINITE STRIKE 1969

The book contains brief history of the strikes and struggles in the trade union movement, particularly in SBI. It has dealt with emergence of The All India State Bank Officers' Federation and a detailed account of the **Historic Indefinite Strike of 1969**. The book contains several documents of historical importance, news paper cuttings, and photographs of the movement in its early days.

A HAND BOOK ON DISCIPLINARY & VIGILANCE PROCEEDINGS

The book provides a detailed input for the defence representative to effectively defend our unfortunate colleges who are caught in disciplinary net. The book also serves as a text for conducting the disciplinary and vigilances workshops by NATURE. This publication is widely acclaimed in banking trade union circles.

OVERVIEW OF P.J. NAYAK'S COMMITTEE REPORT

The hand book comes in defence of the public sector banks in wake of a strong period and attack unleashed by the Government/Reserve Bank of India and against the clandestine attempts to eventually handover the PSB's to private and multinational sectors.

The federation is a ever dynamic organization of bank officers. We have survived 50 years of on slot and emerged stronger with every struggle. While the working conditions of the bank officers have significantly improved, we are aware that quite a lot needs to be done. We are aware of the owner's responsibility the All India State Bank Officers' Federation shoulder in defending the bank officers' legitimate rights.

NAVIGATING THROUGH TURBULENT TIMES.

The book is on the challenge faced and sacrifice made by the members of the Federation during the period 2011-2013 and sequence of events on the disciplinary action on the presidents and general secretaries of the affiliates of federation.

There were certain long pending issues like regulated working hours, self lease, compassionate appointment schemes etc, with the management. Federation had been demanding 5 days week based on very strong ground including the development of Technology in banking sector. When the matter was pending the then Chairman made a unilateral announcement proposing introduction of 7 days banking. This had raised apprehensions. Leading to two days strike and lunch hour demonstration. Consequently they faced the wrath and fury of the management leading to issue of show cause invoking section 36 AD of Banking Regulation Act and rule 19(3) of OSR against President and General Secretaries of the Circle Associations. They were charge sheeted even without waiting for their explanation. In spite of the friction constant negotiation were continued. Through sustained efforts made by the Federation after the next Chairman Smt. Arundhathi Bhattacharya took over, an amicable settlement was reached. It was agreed to reverse all the punishment and the bank decided to close the disciplinary cases with censure. With their patience, grit, and determination the members came through the turbulent times when justice was prevailed.

NATIONAL COUNCIL OF SBOA CO-OPERATIVES

The Co-operatives provide vast scope for launching various welfare activities for the benefit of our members. With a view to provide facilities to our members, a Council has been set up with the objective of encouraging formation of co-operatives for various purposes. The Council has decided to concentrate on;

- (i) Credit Co-operatives
- (ii) Housing Co-operatives and
- (iii) Consumer Co-operative Stores.

The credit societies run by the Circle Associations at Patna, Bengal, Ahmedabad, Hyderabad, Chennai, Mumbai and Bhubaneswar etc., have been extending a number of credit facilities to officers for meeting their domestic requirements such as purchase of consumer goods, domestic items, margin on housing loans, repairing & renovation of houses etc.

The quantum of loans provided by some of the societies ranges anywhere from ₹ 50,000/- to ₹ 5,00,000/- at a very reasonable rate of interest. Apart from credit facilities, these societies have also taken up a number of welfare activities such as administering Benevolent Funds etc.

In the case of consumer stores, the services are of great help to our members. The Circle Association in Ahmedabad is a pioneer in the area of consumer stores; in recent years, other Circle Associations have also established consumer Co-operative stores for the benefit of their members.

NATIONAL COUNCIL OF SOCIAL WELFARE

As decided in the seminar of leaders of affiliates held at Udhagamandalam in June '99, the Federation has set up a 'National Council of Social Welfare' as part of its non bargaining activities. The Council will provide a thrust to the welfare activities launched by the Federation and its affiliates for upliftment of the society in general, and the weaker sections in particular. The details of welfare activities are reported in our publication '**Social Concern**' from time to time.

AISBOF GENERAL SECRETARY'S RELIEF FUND

In the wake of earthquake disaster at Gujarat, the E.C. of the Federation at its meeting held at Mumbai on 16th & 17th February, 2001 decided to set up a separate fund in the name of 'AISBOF General Secretary's Relief Fund'. Members were requested to contribute a day's salary towards the fund. From out of the fund, financial assistance was provided to the families of officers who had lost their lives in addition to those who had lost their houses. The fund has been earmarked for providing relief to officers and their families affected by natural calamities in future.

"GANDHI NILAYA" FEDERATION'S OWN PREMISES

It was a long cherished desire of the Federation to have its own premises for taking up various activities. The dream came true with the acquisition of a premises at Bangalore. The premises with an accommodation of about 4000 sq. ft. has been aptly named as 'Gandhi Nilaya'.

The Federation has set up its guest house in Gandhi Nilaya which could accommodate around 20 guests comfortably. Our Bangalore Circle Association has also set up its primary school in the cellar portion of the building. The first floor has a meeting hall. It is being used for the purpose of trade union meetings as well as for conduct of the training programmes, under the auspices of N.A.T.U.R.E. It was decided to name the lecture hall as "**Com. Godbole Sabha Graha**" efforts are on to come out with a state of art facilities for trainees at specious place to be acquired shortly.

A "**Pent House**" was also added to the existing building to enhance its utility, especially when there is a heavy demand for accommodation during CET Text/Interviews.

The Guest House is well furnished with the facility of A.C., television sets and Wifi.
The details of the tariff are as follows:-

2 bed room	- ₹ 500/-per day
3 bed room	- ₹ 700/-per day
Dormitory	- ₹ 150/- per day

GUEST HOUSES

It was the desire of all affiliates and the Federation to provide guest house facilities at important places all over the country to make the stay of the officers comfortable whenever they visit such places on Leave Fare Concession or for other purposes such as medical treatment/admission of their children to educational institutions etc. In fulfillment of this objective, the Federation and the Circle Associations have set up Guest Houses at important centres.

To start with, the Federation has set up Guest Houses at Mumbai Manali and Goa.

The Guest house is fully air conditioned with all the infrastructure to take care of the requirement of our members. The new guest will have an additional 4 rooms which is well furnished and made homely and comfortable for the benefit of our members. The Address of the Federation Guest House and the rate of tariff etc., is furnished below:-

**UNION IS
STRENGTH**

The Flaming Torch signifies Awareness

Vigilance, and Dynamism in full harness

The ordeal of fire braved through,

The saga of sacrifice and derring - do.

The spangled stars represent the Federating Associations

The Loops proclaim affinity and linking of fates

The all encompassing Circle highlights growth,

Expansion of horizon, both.

Let us march on.....
